

**Walteria News Notes**

Mr. and Mrs. Johnny Barry and son of San Diego were guests of the William C. Carey of Hawthorne Blvd. last Saturday and Sunday. The Barrys are living in San Diego, having moved from Walteria last summer.

Thirty MYF members, accompanied by four adults, enjoyed an entertaining afternoon Sunday, Jan. 27, when they went to Pacific Palisades as guests of the Methodist Community Church there. They had an afternoon of games including basketball, volleyball and ping pong, followed by supper and a devotional program. Leader of the devotional was Bob Braley of UCLA who gave a talk on his trip to Germany and six other countries last summer. He also showed slides of his journey.

A lovely bridal shower was given by Miss John Minor of 23842 Park St. Jan. 29 in honor of Miss Florence Conze. Those there enjoyed an entertaining evening playing games and watching the unwrapping of many lovely gifts. After the gift presentation, refreshments were served from a beautifully decorated table, centered with a cake upon which names of the honored couple were written inside a huge pink heart. Around the heart was a circle of wedding bells carrying out the theme of the party. Those having fun at the party were Mmes. Don Plummer and Frank Kroeger of Wilmington, Elizabeth Dunbar of Los Angeles, Bill Crowe, Louise Crowther, Geo. McKinley, Jim Loughridge, Clyde Murray, Gene Andrews, Ada Flint, Henry Conze and Don Mitchell, all of Walteria; Mrs. Bill Cannon and daughter, Sherron, of Lomita and Clive Crowthers of Wilmington.

Wedding bells rang Saturday when Miss Florence Conze became the bride of Lester Eason of the U. S. Navy, at the church of St. Margaret Mary in Lomita. The couple were united in a lovely afternoon ceremony. The bride wore a blue suit, hat and gloves, and a beautiful orchid corsage. Following the wedding, the couple were given a family reception at the bride's home. The couple will reside in Torrance for the time being, since the groom is stationed at Terminal Island.

By the way, the bride, Florence, was honored by another shower when Mrs. J. W. Loughridge of Ocean Ave., gave her a kitchenware shower. At this party the bride received a complete set of Revere Ware. Sounds as though she had a very busy week.

Walteria will be sorry to bid goodbye to another resident in the near future, when Mrs. Watts of Neece Ave. goes to Illinois and then Arizona where she will live near her son. May come to visit their husband and we wish her the best of luck.
